RAISE A PADDLE FOR BERT'S BIG ADVENTURE!

Back again, Bert's Big Adventure will ask the community to "Raise a Paddle" to help fund the organization's most urgent program needs, experiences for the upcoming trip to Walt Disney World, and more!

In 2016, the "Raise the Paddle" portion funded experiences and needs for children with chronic and terminal illnesses, like personalized Mickey ears, numerous weeks of hospital visits including warm meals and activities, surprise visits to the Bibbidi Bobbidi Boutique, and much more!

So get your paddles ready and join us for this amazing evening!
With your help, we can fund a need or experience for a very deserving child!
